Levenbach

advocaten

Our experts focus on specific areas of law within the corporate practice. Through knowledge exchange and a close cooperation between the different areas of expertise, we are able to guide you through all the aspects of your business.

Our firm is globally oriented. We are an active member of LawExchange International, an association of top law firms serving clients in commercial markets worldwide.

Should your legal issue need an expert opinion in an area of law or on specific cross-boarder jurisdictions that we do not specialize in, we rely on our network of experts in different areas of law and countries with whom we maintain close working relationships. This enables us to offer our clients full service and continuous expert knowledge.
